Sometimes unforeseen circumstances require that a child arrive at school after 9:00am. If such a circumstance occurs, it is mandatory that the parent contacts the school and notify the office **in advance of the Child's Late Arrival.**

If your child has a scheduled doctor's or dentist's appointment, you **MUST** notify the office 24 hours before your child's appointment date. Your child will only be admitted into the school with a doctor's or dentist's note no later than 11:00am

## LATE PICK-UP POLICIES

If you know you will be late due to an EMERGENCY, please call the school so that we can assure your child you will be a few minutes late. All adults (18 & older) should have government-issued picture identification with them at all times. Please be aware that your child will not be dismissed to an individual who does not have an ID. We apologize for any inconvenience this might cause, but the safety of your child comes first.

## **LATE FEE**

There will be an additional fee of **\$30.00 per child per week** if your child is not fully potty-trained for our three-year-old class.

## **ATTENDANCE POLICY & PROCEDURES**

## **ABSENCE POLICY & PROCEDURES**

### **MEDICAL ABSENCES**

All childcare tuition fees are due and payable weekly, in advance. In the aforementioned case, the entire tuition fee is still due. However, after the first (5) consecutive days of absence, a 50% credit will be issued for the second consecutive week. If the child is absent for a 3<sup>rd</sup>

consecutive week, then there will be no tuition fee due, providing that there is a doctor's note describing the illness that caused the child to miss the aforementioned weeks.

*Example:* If a child is absent for (5) days with a Medical Justification, the parent will be responsible for continuing regular tuition payment, however, a credit will be applied for 50% of the daily rate for the second consecutive week and a credit will be applied for 100% for the third consecutive week missed. **Returning to School may require payment of a re-registration fee. NO CREDITS WILL BE GIVEN FOR ANY NON-MEDICAL ABSENCES.**

## **SCHOOL WITHDRAWAL**

If a child is to be withdrawn from school, it is **mandatory** that the parent issue a minimum of a **two (2) week** notice to Kradle To Kindergarten Preschool. If the parent fails to issue a two (2) week notice before withdrawal, the parent is in non-compliance and, thereby obligated to pay their child's two (2) week tuition fee. All remaining items and supplies will only be stored in our facility for one to two weeks after you have been notified by our office. Failure to comply will forfeit your rights to claim any items or supplies and we will be forced to donate your child/children's items to a local organization of our choice.

These regulations are strictly enforced by our monitoring agencies.

## PARENT INVOLVEMENT

We provide many opportunities for parents to join in the wonderful learning process of their children. Parents are encouraged to become actively involved in their child's classroom environment. Krandle To Kindergarten Preschool I & II has an Open Door Policy that welcomes parents all day, every school day.

### VISITOR – PARENT Open Door Policy & Procedures

The purpose of our Open Door Policy is to encourage open communication, feedback, and discussion. If you have any worries or concerns about your child's education, then we believe that it is far better that you come into school and discuss them with the classroom teacher. Staff will listen to your concerns and work with you to resolve any issues that you might have. We are able to maintain our "Open Door Policy" by requesting your cooperation with the following rules:

- ✚ All visitors/parents visiting FOR ANY REASON must report to the office upon arrival; obtain an Access Pass and return it before leaving the premises.
- ✚ Classroom teachers will usually be available for an Open Door meeting at the end of the school day. In some cases, the teacher may not be available for genuine reasons and a different meeting time should be arranged in advance.
- ✚ If you feel that the matter needs more than 10 minutes to discuss, then parents should phone the school office to make an appointment to see the member of staff at a mutually convenient time. Please make sure to state the purpose of the meeting requested.
- ✚ Staff may not be available to take phone calls, when they are not available please leave a contact number so that a member of our staff may call you back at a different time.
- ✚ At no time should a visitor/parent or teacher raise their voice, especially in front of children.
- ✚ Aggressive or threatening behavior is also unacceptable. Anyone who misuses the Open Door Policy may be asked to leave the school premises and a future meeting may be held only after a scheduled appointment is approved.
- ✚ In the spirit of our Open Door Policy, our Parent/Teacher Task Force meets often to discuss new initiatives, issues/policies, and events.
- ✚ **REMINDER: All schools are locked – At All Times - for the security of our students.**

# EMERGENCY PROCEDURE PLAN

## Kradle To Kindergarten Preschool I & II, Inc.

### (SCHOOL SAFETY IS MOST IMPORTANT AT OUR FACILITIES)

Emergency Drills are very important safety precautions and are conducted every month. It is required by LAW to instruct staff, should an incident occur such as:

5. **Presence of an Intruder, or**
6. **Relocation Site**

If any of the above-mentioned should occur the following procedures will be conducted:-

- If a **CHILD IS UNACCOUNTED** for, the staff member responsible will notify the Director, search the premises inside and out, double-check with other staff members, or check to see if the child was picked up by his/her parent or guardian.
- If the child is not located and all areas have been searched, the director will begin a lockdown procedure no person/personnel will be let in or out of the facility.
- Law enforcement will be called (911) and provide the best description of the child. The following information will be documented; the Child's name, age, height, weight, date of birth, hair color, and the child's clothing that he/she was wearing at the time the child went missing. An emergency number will be provided to all parents upon enrollment of the child/children.
- If a child becomes injured or ill requiring hospitalization or **EMERGENCY MEDICAL TREATMENT**, the teacher will stay with the injured child, notify the director, and send another staff member to call 911. First Aid/CPR will be provided as needed. Staff will

- The body will not be moved or tampered with.
- All children will be moved to a section of the building away from the body.
- The children and staff will only be told what is essential for them to know about the incident, but they will be offered comfort and counseling as needed.
- No news media will be contacted, if a news reporter is aware of the incident and solicits information he/she will be referred to the facility's director.
- No filming or photographing personnel will be allowed inside the building.
- Licensing will be notified immediately.

In the event an **INTRUDER** has gained entrance into the facility, we will immediately call law enforcement (911) and notify security.

- Staff will alert the security and center director that there's a condition for selective/partial evacuation (this may be within the building if the potentially violent person does not leave the area).
- If for any reason we think the individual has a weapon a selective/ partial evacuation will be ordered if possible.
- If the intruder chooses to leave the premises we will allow them the freedom to exit making sure to note their vehicle make and model, license plate, and direction of their travel. This will be communicated to the emergency dispatcher.
- The intruder will be isolated away from as many adults and children as possible.
- Other available staff will direct students in unaffected classrooms to move to locations in the center that are farthest from the incident point. This selective/partial evacuation will proceed room by room, quietly and orderly as possible being careful to use routes not visible to the intruder.

- Once law enforcement arrives they will assume charge of the situation, negotiate, and dictate further movements.
- **RELOCATION SITE:** SHOULD AN EMERGENCY OCCURS AT KRADLE TO KINDERGARTEN PRESCHOOL I, if and when a decision is to be made to **RELOCATE** under any circumstances to a safer location such as the playground or our alternate site. If you would like to leave a camera at school, we will take a few photographs for you. We encourage you to participate in your child's special day. No invitations are necessary for in-school birthday celebrations. Invitations for parties outside of school may only be distributed in school if EVERY child in the class will receive an invitation so as not to hurt the feelings of any child. Children may NOT hand out their invitations. They must be given directly to the teacher.

## **Birthday Uniform Policy**

We know how special your child/children's birthday can be especially when they are allowed to celebrate with their friends at school. If you would like your child/children to wear a birthday shirt for that special day, there will be a fee of \$10.00 charged per birthday child. **Reminder: For your child/children to participate it must be their birthday and the fee of \$10.00 must be paid in full. No exceptions.**

## **MEDICATIONS**

We do not administer medications to your child without a doctor's prescription. Your signed authorization is also required. We do not administer over-the-counter drugs under any circumstances. Please do not send any medications with your child or in their book bag, unless authorized by a doctor's prescription note. Please help us by following these important safety measures.

## ILLNESS & INJURIES

If your child appears to be ill, you will be notified immediately. The child will be made comfortable in a designated area with adult supervision. Please plan for alternate care when your child is sick. It is unfair and unhealthy for your child or a classmate to attend school with a fever, bad cold, or other illness. We will not accept a child with a fever. Children **MUST** be fever-free for 24 hours before returning to school.

Herein, if a child is sent home with a fever, he/she may not return to school unless accompanied by a doctor's note or has been fever-free for 24 hours. Tylenol or other fever-reducing agents may not be a cure for the condition that caused the fever, therefore, a child who is medicated to reduce a fever is not truly 'fit for school.' Please use common sense, common courtesy, and discretion in this matter. When our staff receives your child in the morning, they have full authority to refuse to accept any child who, in their opinion, does not appear to be well enough to attend school that day.

Children will not be permitted to attend with green nasal discharge, diarrhea, vomiting, ringworm, or pink eye and they are not allowed back in school without a doctor's release and return to school note.

If your child is injured during school hours, an incident report will be completed and you will be notified, thereafter. First aid will be administered; and if necessary, we will call 911 and names from your list of Emergency Contacts. It is imperative that we have an up-to-date emergency contact list, and we **MUST** be able to reach someone during all school hours.

**I have received and read the Brochure on Influenza Virus, The Flu, A Guide to Parents**

Parental Acknowledgement \_\_\_\_\_ Date: \_\_\_\_\_

## CLOTHING

Your child must be dressed in appropriate school uniforms from Kradle To Kindergarten Preschool I & II. If your child is left at the school without being dressed in the school's uniform, then he/she will receive a new uniform, and the fee for the same will be incorporated into the child's weekly tuition. It is the parent's responsibility to provide pampers and wipes and if your child has run out of the same, Kradle To Kindergarten will provide the said items for \$1.75 per pampers and \$0.50 per wipe.

### **At least, three changes of clothing MUST be kept at school – at all times**

Accidents of all kinds do happen. Please LABEL all garments and storage bags. We cannot be responsible for soiled clothing. The children are involved in many different, enjoyable activities, some of which may be messy. Please remember the children are here to have fun and experience new things. Therefore, when dressing your child just remember that pants with elastic bands are more appropriate than belts and snaps.

Jewelry cannot be worn to school. Shoes should be a closed style or sneakers. Sandals or jellies are dangerous during playtime and are never allowed at school, at any time. **Hair beads are also dangerous.** We insist that children **do not** wear beads in their hair because loose beads may fall out of their hair. If a loose bead is picked up by your child or another child, they may choose to place it in their mouth and possibly swallow causing an inappropriate and unnecessary emergency.

## LOSS OR DAMAGED PROPERTY

Any damage to property or facility by a student shall be the responsibility of that student and his/her parent/legal guardian and shall be billed accordingly.

Reminder: in order to prevent loss or breakage, we must insist that children do not bring toys to school. We will not be responsible for ANY lost items whatsoever, that is, jewelry, clothing, toys, money etc.

## **BEHAVIOR**

We encourage students to develop a sense of fair play, good sportsmanship, teamwork, and sharing. We hope to teach our students the value of winning and losing appropriately. Any infractions will be dealt with on an individual, age-appropriate basis. We will use a cooling-off technique to help a child correct inappropriate behavior, together with positive reinforcement. We will stress positive solutions to problems and encourage children to communicate their feelings to better deal with them. Krandle To Kindergarten Preschool I & II will work together with parents to resolve behavior problems through conferences, charts, and other positive reinforcements.

**No corporal punishment is EVER used. Please be advised, that as our last resort, we do reserve the right to suspend a child for inappropriate or frequent misbehavior.**

- Non-payment or excessive late payment of fees/tuition
- Failure to adhere to policies and procedures as outlined in the Parent Handbook
- The child's behavior threatens the health and safety of him/herself, the other children or staff
- Not meeting attendance Requirements/Excessive Tardiness
- The parent/guardian exhibits behavior, that is detrimental to the health and well-being of the children and staff in the classroom and/or program. This included but not limited to vulgarity, intimidation, harassment or violation of childcare licensing regulations.

Our educational philosophy is both traditional and developmentally appropriate. Your child will be assessed three times throughout the school year. We encourage children to play and learn by interacting with other kids and adults. We recognize that each child is unique and has his/her strengths and needs. We hope to provide your child with a firm foundation of readiness and academic skills introduced in their proper sequence and enriched with many beautiful hands-on activities created to stimulate interest and discovery. Our goal is to help each child develop physically, socially, emotionally, and finally academically to be prepared to succeed in Elementary school and beyond. In addition, Kradle To Kindergarten Preschool I & II does NOT allow television and video viewing as a regular occurrence.
